Community Concerts

*Organ built by Martin Pasi & Associates,
Opus 172 manuals, 29 stops, 33 ranks*

The Church throughout the ages has stood as a beacon for classical music enthusiasts and performers alike. Renowned musicians and composers have graced its halls, making it a cherished venue for both sacred and secular works.

Beginning with the installation of the Martin Pasi Opus 17 tracker pipe organ in 2006, Trinity has become a major performing space in Bucks County for area chamber groups, both instrumental and vocal. The church's commitment to preserving and celebrating the rich tapestry of classical music continues to draw audiences and performers.

The Trinity Concert Series consists of both ***Friends of Music*** concerts and ***Community Concerts***. Friends of Music, a Parish organization funded by donations from both within and outside of the Parish, sponsors and covers the costs of several concerts throughout the year, known as the Friends of Music Concert Series. Trinity also hosts a wide variety of Community Concerts by outside groups renting our space as a musical venue. The following 2026-2027 schedule of events includes both Friends of Music and Community concerts.

Friends of Music funds are independent from the operating funds of the Parish. If you wish to become a Trinity Friend of Music with a donation, please see the information on Page 11 or on our website at www.trinitysolebury.org/fom.

Founded in 2000 as an intimate group of choral friends gathering in homes to share a love of music, Cantus Novus has grown to be an established musical presence in the Delaware Valley. Our musical focus can best be described as “roots and wings,” with programming spanning several centuries, honoring our “roots,” the rich a cappella choral tradition that springs from the motets of the Renaissance - while our “wings” present audiences with wide-ranging musical offerings from the best of contemporary composers.

We are pleased to present our exciting new season and welcome to our new artistic director Nicole Aldrich.
