

LOBSTERFEST 2026 & TRINITY'S 150th

Dear <Insert Name>

To celebrate the 150th anniversary of Trinity Church Solebury and history of outreach and community support efforts, we are increasing our effort to make our community impact even greater. Lobsterfest will be part of "Celebrating the Present" inviting the congregation and broader community together for food, music and shared experiences that celebrate the here and now. We need your help to support our impact.

Your generous support has helped us to do major community work over the years, and your dedication to this event shows how much you care about helping support those in need around us.

So this year especially – please consider giving again, and perhaps more, to help us maximize our impact in this anniversary year!

As usual, Lobsterfest will be held on the first Saturday in June: June 6th. Lobsters are on the menu (of course), along with ribs dinners and all the fixings, as more than 500 people gather under the tents to share in a wonderful time together.

Because of events like Lobsterfest and the generosity of supporters like you, we have been able to assist organizations such as Fisherman's Mark, A Woman's Place, and the Bucks County Opportunity Council. Our youth have also continued their work with Mission Philadelphia, helping transform abandoned lots in West and North Philadelphia into green spaces and community gardens. These experiences not only improve neighborhoods but also give our young people the chance to build meaningful connections and see the difference they can make in the world.

We once again welcome your support to help ensure the success of this important fundraiser. Information about the 2026 sponsorship opportunities is included. Your advertisement will appear on the Trinity website from the time of your commitment through the end of July. In addition, we will produce a Digital Commemorative Program Book that will be emailed to all guests who purchase Lobsterfest dinners and will also be available on the website.
